RESULTS is a movement of passionate, committed everyday people. Together we use our voices to influence political decisions that will bring an end to poverty. Poverty cannot end as long as oppression exists. We commit to opposing all forms of oppression, including racism, classism, colonialism, white saviorism, sexism, homophobia, transphobia, ableism, xenophobia, and religious discrimination.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn’t fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

There are no saviors — only partners, advocates, and allies. We agree to help make the RESULTS movement a respectful, inclusive space.

Building on 2015 EITC/CTC Success

YOU DID IT!
Congress made permanent critical provisions of pro-work tax credits that lift millions of Americans out of poverty every year.

225
face-to-face meetings with members of Congress

145
pieces of media on the EITC and CTC

These changes prevented 16 million people from falling into or deeper into poverty.
The Working Families Tax Relief Act

**THE WORKING FAMILIES TAX RELIEF ACT WOULD:**

- Expand the EITC for families with kids;
- Deliver a meaningful EITC for the first time for workers who don’t have kids at home;
- Make the Child Tax Credit fully refundable; and
- Create a new Young Child Tax Credit for families with kids under 6

**THESE POLICIES WOULD BENEFIT 46 MILLION FAMILIES.**

Childless Adults Taxed Into Poverty; Earned Income Tax Credit (EITC) Proposal Would Help Address Problem

A single childless adult with poverty-level wages in 2019 ($13,340) owes $1,135 in income taxes and payroll taxes (employee share).

Current law
Under current law, she receives an EITC worth just $172.

Federal taxes push her $963 into poverty.

Working Families Tax Relief Act
Under a proposal from Senators Brown, Bennet, Durbin, and Wyden, her EITC would rise to $1,797, more than offsetting her federal tax liability.

After taxes, she would be $662 above the poverty line.

Expanding the CTC

Working Families Tax Relief Act (WFTRA) Expands Child Tax Credit for Very Young Children

Credit for a married couple with two children under age 6, 2019

Note: Assumes all income is from earnings (as opposed to investments, for example). About 92 percent of families with children would receive the same CTC or a larger CTC as under current law.

Impact: Working Families Tax Relief Act

The Working Families Relief Act’s expansions of the Earned Income Tax Credit and Child Tax Credit would boost incomes across races, helping:

- **24 million** white families;
- **9 million** Latino families;
- **8 million** Black families; and
- **2 million** Asian-American families

And… cuts child poverty nationally by 28 percent!

EITC/CTC Homework

Make expanding the EITC/CTC THE top priority for any tax deal this year

• They are starting these negotiations now

• Decisions will decided behind the scenes, so we need leadership to hear from their peers
Chance to Expand EITC/CTC This Year

Who will make this happen?

YOU.
Links shared during the webinar

• Tomorrow morning the lawsuits to stop implementation of the changes to public charge (limiting immigrant families' access to anti-poverty programs) and RESULTS signed on to an amicus brief with other nutrition and housing groups. To see our original comment and get more context: https://results.org/blog/results-responds-to-white-house-proposals-that-threaten-low-income-families/. Key talking points are:
  o The Trump public charge regulation is brutal, dangerous and unlawful
  o It’s about sending one message: if you’re not white and you’re not wealthy, you’re not welcome
  o We support efforts to block it, through the courts and in Congress
  o An injunction would protect millions from real, lasting harm
  o We don’t know when we will receive a decision, so we also urge Congress to act
  o We’re running out of time to protect immigrant families

October 2019 U.S. Poverty Action
Urge Congress to Prioritize the EITC and CTC

Meet with members of Congress

The House and Senate are on recess the first two weeks of October (September 30-October 14). Schedule meetings and attend town halls to talk to them directly about expanding the EITC and CTC in any new tax bill (as well as continuing to build support for the renters’ tax credit). Use our sample request to schedule a meeting today and contact RESULTS staff when you get one on the calendar.
Talk to tax aides on the phone

As you wait to get meetings with your members of Congress back home, reach out to tax aides in their offices to talk about the EITC and CTC. Remind them that the Census data just came out showing that 38 million were living below the poverty line in 2018, but that number would have been 8 million higher without the EITC and CTC. Urge them to tell their bosses to tell House and Senate leadership that if any tax bill is done this fall, it must include expansions of the EITC and CTC.
Generate media on the EITC and CTC

Continue to push our message in the media by getting letters to the editors and op-eds published about tax policy that helps workers and families. We have a goal of 70 EITC/CTC media pieces by the end of October. If you do get published, please send copies to the tax aides and take copies to any lobby meetings you have.

Let’s make this a great Seventy-tober!
Urge Congress to Prioritize the EITC and CTC

Urge people to call about the EITC and CTC

Look up your members of Congress, call yourself, and ask others (action networks, social media networks, and others you know) to call and leave this message with the receptionist:

Hello, my name is ____________ and I am a constituent from ___________________. Leaders in Congress want to do a tax bill this fall to help businesses and corporations. If they do, millions of workers and families struggling to make ends meet should get priority. These people were ignored in the 2017 tax law; they must not be ignored again. Please tell Rep./Sen. ___________________ that if Congress passes any tax bill this fall, it must include expansions of the Earned Income Tax Credit and Child Tax Credit for low-income Americans. Will you please give him/her that message? Thank you.
October 2019 U.S. Poverty Action
Urge Congress to Prioritize the EITC and CTC

Use this month’s action to organize others into action:

• Invite someone to participate in a lobby meeting during the October recess
• Ask someone to attend a town hall with you (and if they’re game, ask a question)
• Ask someone to call each member of Congress and leave a message about expanding the EITC and CTC with the receptionist – use the message on the previous page
• Ask someone to write a letter to the editor about the EITC and CTC in their local paper
• Ask someone to write letters to their members of Congress about including the EITC and CTC in any new tax bill (using talking points above)

The key to outreach success is offering to help and circling back to reflect on how taking action felt for them.

Final Action: Ask people to call Congress about the EITC/CTC

Tonight, contact at least 5 people you know and urge them to call their members of Congress tomorrow about including the EITC and CTC in any new tax bill. Tell them to leave this message:
