The RESULTS United National Webinar

Welcome!
Remarks from Executive Director
Dr. Joanne Carter
Our Anti-Oppression Values

RESULTS is a movement of passionate, committed everyday people. Together we use our voices to influence political decisions that will bring an end to poverty. Poverty cannot end as long as oppression exists.

We commit to opposing all forms of oppression, including racism, classism, colonialism, white saviorism, sexism, homophobia, transphobia, ableism, xenophobia, and religious discrimination.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn’t fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

There are no saviors — only partners, advocates, and allies. We agree to help make the RESULTS movement a respectful, inclusive space.

June 10: How to Be an Ally in the Fight for Racial Justice webinar

The agony and outrage of racism has boiled over in the US. Many white people are asking themselves how to be allies to their Black peers. One thing white people can do is take it upon themselves to get educated and find meaningful actions that do not place additional burden on people experiencing racism. Join us on Wednesday June 10 at 9:00 pm ET to discuss what you can do. Join via Zoom: https://results.zoom.us/j/390106571 or dial +1 929 436 2866, meeting ID: 390106571.

Notes: Results include estimates for renters who responded to the survey and answered specific questions about their ability to pay. The Pulse Survey provides estimates for all adults in households; therefore, percentages should be interpreted as the share of adults in households who pay rent. "Latino" includes respondents who identified as “Hispanic or Latino” of any race; “White,” “Black,” and “Asian” exclude respondents who identified as “Hispanic or Latino.”

What Congress should do next

In virtual lobby meetings, push lawmakers to fill the gaps that remain, including:

- $100 billion in emergency rental assistance
- National eviction moratorium
  - Only one in four rental properties are covered under the current federal eviction moratorium
- Longer term: get on the record for a refundable renters’ credit

In addition, we may suggest you do targeted advocacy during virtual meetings to support:

- 15 percent increase in the maximum SNAP benefit for nutrition assistance
- Expansions of the Earned Income Tax Credit and Child Tax Credit
Global Policy Update

John Fawcett

$8.8 billion
The Global Vaccine Summit, hosted by the UK, raised $8.8 billion, exceeding its target of $7.4 billion.

The U.S. pledged its largest amount ever: $1.16 billion.

This will save 8 million lives and immunize 300 million children over the next five years.
A global pandemic demands a global response.
The World Bank estimates that the COVID-19 pandemic could drive 49 million people into extreme poverty in 2020.
According to the Stop TB Partnership, disruptions to health services could cause an additional 6.3 million cases of tuberculosis and an additional 1.4 million TB deaths between 2020 and 2025.
Without urgent action, the number of people facing hunger is expected to double to 265 million by the end of 2020, according to the World Food Programme.
Malnutrition contributes to nearly half of the deaths of young children.

Wasting, a form of severe malnutrition, is the single biggest driver of increased child deaths in projections of the impact of COVID-19.
These are not predictions.

They are projections of what will happen *if we don't act.*
COVID-19 Funding Priorities

• Global Fund COVID-19 Response Mechanism: $4 billion over 2 years

• Gavi, the Vaccine Alliance
  o Access to COVID-19 Tools (ACT) Accelerator
  o Advance Market Commitment (AMC) for COVID-19 vaccine

• Hunger and Malnutrition: $2 billion

Scheduling Virtual Lobby Meetings

- **Contact scheduler** using our virtual meeting lobby request
  - Personalize the request
  - Offer an online platform ([Zoom](https://zoom.us), [Google Hangout](https://hangouts.google.com), [Facetime](https://facetime.com), [conf call](https://www.confcall.com)) but also ask if they have platform that prefer to use
  - Ask which aides will be present, if any

- **Follow up regularly** to check on the status
  - If you cannot get a meeting with your member of Congress, reach out to the specific aide(s) on your issues
Preparing for your Virtual Lobby Meeting

• **Do a lobby prep call with RESULTS staff**
  - For the Conference, we will contact you about setting this up

• **Gather your group together online/phone to plan**
  - Should be time to do this during IC lobby prep call (can also set up separate call)
  - What issues do you plan to discuss and how will you present them?
    - Thank you, data, stories, media?
  - 50/50 rule – plan to talk no more than half the time
    - How will you make it a conversation? What questions will you ask?
  - Decide roles: Facilitator, issue presenter, storyteller, note-taker, tech person, follow up person
  - Always keep the technology in mind – opportunities and challenges (keep it simple!)
Preparing for your Virtual Lobby Meeting

• Do your research
  • Know your issue, legislation, and position
    • Find RESULTS Laser Talks at: https://results.org/volunteers/laser-talks/
  • Know your legislator’s background and position on the issue(s)
    ▪ Go to our Elected Officials page, legislators’ websites, and online searches (e.g. “Cory Booker housing”) for info

• Gather your materials to send ahead of time
  • Leave behinds, published media, outline of the meeting agenda
  • Find leave behind materials at: https://results.org/volunteers/lobbying/
Tell stories

Stories matter and...they work!

• “Data makes you credible. Stories make you memorable.”
• Stories are “sticky” – 22x more likely to be remembered than facts alone
• Effective way to influence policy makers, bust dangerous myths

  www.tinyurl.com/RESLRF
  - This is extremely important – it lets RESULTS staff know what happened and devise a strategy going forward
After the Meeting – Follow Up

- Follow-up with the appropriate aide(s)
  - Please do ASAP – follow-up is almost as important as the meeting itself
  - It further develops the relationship and holds them accountable
