The RESULTS National Webinar

March 5, 2022

Welcome!

Dr. Joanne Carter
Executive Director

Our Anti-Oppression Values

RESULTS is a movement of passionate, committed everyday people. Together we use our voices to influence political decisions that will bring an end to poverty. Poverty cannot end as long as oppression exists. We commit to opposing all forms of oppression, including ableism, ageism, biphobia, classism, colonialism, homophobia, racism, religious discrimination, sexism, transphobia, white saviorism, and xenophobia.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

There are no saviors — only partners, advocates, and allies. We agree to help make the RESULTS movement a respectful, inclusive space.

Use media to push for investments in housing and reducing child poverty

- ***Extend the 2021 EITC/CTC provisions***
- ***Make housing affordable with robust funding for rental assistance***

BOTH are needed because of higher costs of rent, groceries, gas, utilities, childcare.

BOTH are needed to reduce child poverty, housing insecurity.

Congress must prioritize poverty in any deal

Investment Case

For 20 years, the Global Fund to Fight AIDS, Tuberculosis and Malaria has shown the world that AIDS, TB and malaria can and will be beaten.

44 million lives saved

since the Global Fund partnership was founded in 2002.

But the fight is far from over.

For the first time since 2002, the fight against AIDS, TB and malaria has gone backwards. However, new innovations hold huge promise.
