# Our Anti-Oppression Values

*RESULTS is a movement of passionate, committed everyday people. Together we use our voices to influence political decisions that will bring an end to poverty. Poverty cannot end as long as oppression exists. We commit to opposing all forms of oppression, including ableism, ageism, biphobia, classism, colonialism, homophobia, racism, religious discrimination, sexism, transphobia, white saviorism, and xenophobia.*

*At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.*

*With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.*

*There are no saviors — only partners, advocates, and allies. We agree to help make the RESULTS movement a respectful, inclusive space.*

# Appropriations Process

# What are we asking for?

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

## Summary of RESULTS' FY23 Appropriations Requests

### Global Fund to Fight AIDS, Tuberculosis and Malaria

- At least \$2 billion

### Nutrition

- \$300 million within USAID Global Health

### Global Tuberculosis

- \$1 billion within USAID Global Health

# What we ask Congress to do

The logo consists of the word "results" in a white, lowercase, sans-serif font, centered within a red speech bubble shape that points downwards.

- Every member of Congress can give input on spending preferences to each sub-committee of appropriations. That input comes from constituents—from us.
- We also ask them to sign on to “dear colleague” letters that include our requests.
- The more the appropriators hear the request to fund a program at a specific level, the more likely they are likely to pay attention to that request.

# How to submit requests

The logo consists of the word "results" in white lowercase letters inside a red speech bubble shape.

- Every House point person should contact the foreign policy aide in their Rep's office this week.
- Decide which requests to send to your Rep. based on what they've supported in the past. We have scorecards for that.
- Use the sample letter in our Global April Action Sheet to write your request. Include our "appropriations memos" and related sign on letters.

# Tools & Support

- FY 23 Appropriations blog: includes memos, scorecards, sign-on letters, training webinar
- April Action Sheet

### April 2022: Write to Congress About Prioritizing Global Poverty in FY23 Appropriations

As Congress looks at its spending plan for fiscal year 2023, it's time to tell them what they should put at the top of the list. As a leader in global health and development, the United States must urgently look to recovery after the COVID-19 crisis to curb major health setbacks in low-income countries. That's where the appropriations process comes in. Act now to influence the appropriations process while it is in full swing. [\(Word version\)](#)

## Identify the PROBLEM.

People get bogged down and discouraged with bad news. They don't think they can make a difference in reaching *Congressman Name/ Senator Name*.

# EPIC Laser Talk

## **INFORM or ILLUSTRATE on the solution.**

RESULTS has proven to me that I can make a difference. RESULTS has taught me how to meet with and influence our members of Congress, get published, and reach out to our community to bring them into action. Last year, despite the unprecedented challenges we all faced, we made excellent progress on issues I care about.

# EPIC Laser Talk

## Make your CALL TO ACTION.

2022 could be a terrific year for making a difference and making the necessary changes we need in our community, and the world, to end poverty. I would like to invite you to our next RESULTS meeting and guide you in taking actions that make a difference. *Are you in?*
