Welcome!
Our Anti-Oppression Values

RESULTS is a movement of passionate, committed everyday people. Together we use our voices to influence political decisions that will bring an end to poverty. Poverty cannot end as long as oppression exists. We commit to opposing all forms of oppression, including ableism, ageism, biphobia, classism, colonialism, homophobia, racism, religious discrimination, sexism, transphobia, white saviorism, and xenophobia.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn’t fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

There are no saviors — only partners, advocates, and allies. We agree to help make the RESULTS movement a respectful, inclusive space.

Latest from Capitol Hill

• Some uncertainty on whether a larger year-end package will come together

• Conversations between Republicans and Democrats are starting now on a potential year-end tax package

• Republicans (and some Democrats) want to extend R&D and other corporate tax breaks

• Goals: Build enough bipartisan support/willingness so CTC for lowest-income families can pass in a larger package
19 Million Children in Families with Low Incomes Left Out of the Full $2,000 Child Tax Credit

Of children under 17 in group, percent left out

More than a quarter of all children are left out of the full credit.

Even larger shares of Black, Latino, and American Indian or Alaska Native (AIAN) children are left out.

- Black: 45%
- Latino: 39%
- AIAN: 38%
- White: 17%
- Asian: 16%
Tell Congress to extend the expanded Child Tax Credit (CTC)

• The **CTC strengthened families** and helped them weather tough times (and share your story!)

• Urge Congress to **prioritize expanding the CTC in year-end legislation**

• Share that you oppose more tax breaks for large corporations unless they include support for families
Engaging Senate Offices: Extend CTC

• Can we count on Sen. ____________ to relay that expanding the CTC is a priority in the next few days with both Leadership and Senate Finance Committee members?

• Can you let us know what actions your office is taking to support the CTC? We’d love to amplify what you all are doing.

• How should we follow up?
December Action

Keep getting media published on the Child Tax Credit. It’s working – you’ve gotten 45 CTC media pieces since November 1!

TAKE ACTION!

• If you have two minutes... personalize the media templates on our website and hit send!

• If you have twenty minutes... use our December Action Sheet to draft your letters to the editor and send them to your local newspaper.

If you need help with your letters, please contact Jos Linn for assistance.
End of Year Opportunity

Congress is negotiating an omnibus bill that could include global health funding and the CTC. But some Republicans may want to extend the deadline with a continuing resolution (CR).

**Take Action:** Tell your members that we need an end of year omnibus with our policy priorities, NOT a continuing resolution!
OUR ISSUES

- Ending the tuberculosis epidemic
- Ending preventable maternal and child deaths
- Ensuring access to quality education for all children

End Of Year Celebrations: Action Networks and their Managers!
Share Your Advocacy Story!

Share your story about being an advocate! Everyone remembers stories, and RESULTS advocates are creating stories every day when we move members of Congress to act, support someone to take their first action, build new leaders, or publish a piece of media read by thousands of people.

Why are we gathering stories about advocacy? The grassroots team at RESULTS wants to show the world how you do what you do. Some story examples are below, but we'd like to hear about anything you find important. As you share your story, tell about the challenge and the outcome. Tell us how it made you feel and who it affected.

- Getting media published
- Facing a barrier in building a congressional relationship
- Being persistent in your advocacy
- Supporting someone to take on advocacy
- Receiving a personal message from a member of Congress
- A pivotal moment in a congressional meeting
- Stepping outside your comfort zone
- Engaging your community or action network
- Using Motivational Interviewing successfully
