*Note: Due to space limitations, we encourage you to register for a webinar session during spring 2022.*

2. **Building Capacity for Difficult Conversations**

Developing the skills to effectively communicate across differences in difficult moments. Understanding how communication gets stuck and why we avoid difficult conversations, building a framework and skills for constructive conversations, recognizing and responding to microaggressions, and building confidence and willingness to engage.

Dates: *Coming late 2022*

## 2022 Anti - Oppression Workshop Schedule

### 3. **Trauma-Informed Care**

Understanding the mental, emotional, and physical cost of racism and oppression experienced by marginalized groups, including microaggressions, and prolonged stress responses. Gaining insights on the ways that trauma and poverty intersect and learning to use a trauma-informed approach in leading and interacting with your community.

Dates: *Coming late 2022*

### 4. **Bystander Training**

Learning effective skills for assessing, de-escalating, and diffusing harmful or inappropriate behavior.

Dates: *Coming late 2022*
