Our Values & Resources

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

Read our full anti-oppression values statement here at results.org/values.

Targeted action on the CTC

The logo consists of the word "results" in white lowercase letters inside a red speech bubble shape.

Help get co-sponsors for the *American Families Act (AFA)*

The AFA would restore the CTC to its 2021 levels, covering all families with low-incomes, regardless of earnings.

Goal is 175 original co-sponsors (107 so far) to show strong support for expanding the CTC this year. [See if your Democratic House member has signed on](#) as an original cosponsor.

Check this [new blog](#) for resources to ask your Democratic member to sign on.

The ABC Coalition

The Automatic Benefit for Children (ABC) Coalition is a cross-cutting group of national, state, and grassroots organizations. Our mission is to create a child allowance, or a guaranteed minimum income for children, that provides regular, meaningful assistance to families, promotes racial equity and justice, enjoys broad public support, and serves as a foundation for a more equitable and inclusive social support system. We see the expansion of a fully inclusive Child Tax Credit as a step toward that goal.

As volunteer advocates with RESULTS, we raise our voices to create the political will to end poverty. Right now, we're also raising money to ensure this critical work has the resources needed to support our efforts and save lives.

RESULTS helps people discover their innate power to influence policies that shape our world. Together with advocates in all 50 states, we press leaders to end poverty in the United States and around the world through policies and programs that improve health, nutrition, education, and economic opportunity.

You can help end poverty today by making a gift:

We have two amazing challenges from past donors: when our team reaches \$4000 in donations, we will get a \$4000 match! A second donor has pledged to donate \$100 for every donation our team receives up to 75 donations! *Every act of generosity counts and everyone has something to give.*

Thank you for supporting RESULTS—and our team!
