Our Values & Resources

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

Read our full anti-oppression values statement here at results.org/values.

Debt Ceiling Update

- **Fiscal Responsibility Act of 2023 (FRA)**
 - Legislation to avert debt default and limit future spending
 - Imposes new work reporting requirements on older SNAP recipients (50-54 years old)
 - Puts 750,000 older adults at risk of losing SNAP ([CBPP](#))
 - New exemptions for veterans, those experiencing homelessness, former foster youth
 - New rules are nothing more than “weaponized red tape”

Debt Ceiling Update

- **Fiscal Responsibility Act of 2023 (FRA)**
 - With inflation, this puts funding for our global poverty priorities at risk
 - Specific funding must still go through appropriations process
 - Changes to TANF that could affect welfare benefits to families
 - Cuts to IRS funding to go after wealthy tax dodgers

Debt Ceiling Update

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

- **Why did RESULTS push to defeat the FRA? *The alternatives were much worse.***
 - House-passed budget bill imposed much deeper cuts to important programs
 - Default on the debt would have been catastrophic
 - Both would have led to a harmful recession, cuts to services, and higher unemployment

Your advocacy helped prevent these worst-case scenarios

Targeted action on the CTC

The logo consists of the word "results" in white lowercase letters inside a red speech bubble shape.

Help get co-sponsors for the *American Families Act (AFA)*

The AFA would restore the CTC to its 2021 levels, covering all families with low-incomes, regardless of earnings.

Goal is 175 original co-sponsors (129 so far) to show strong support for expanding the CTC this year. [See if your Democratic House member has signed on](#) as an original cosponsor.

Check this [blog](#) for resources to ask your Democratic member to sign on.

Talking to skeptical Members of Congress

- Most common argument: the **2021 CTC was partisan and disincentivizes work**
- Counter this by:
 - **Educating the how the *current* CTC works**, especially who is left out
 - How they can help **improve the credit in a bipartisan way**
- See other arguments at: <https://results.org/blog/how-to-respond-to-common-arguments-against-expanding-the-child-tax-credit-ctc>
