Who Deserves to Be Poor? Work and Income Requirements as Tools of Oppression

Our Values & Resources

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn’t fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

Overview

• What is a laser talk?

• How do you prepare to create one?
  • Step 1: Know Yourself
  • Step 2: Know Your Audience
  • Step 3: Know the Message/Ask

• Bringing a laser talk together using the E.P.I.C. format

• Q&A
What is a laser talk?

A laser talk is a short, compelling pitch you can use as a starting point to influence someone to take action on an issue.

How/where can you use a laser talk?

• Lobby Meetings
• Townhalls
• To write a letter to the editor (LTE)
How do you prepare for a laser talk?
Step 1: Know Yourself

What is your story?

Why do you volunteer with RESULTS?

Why are you passionate about the issues RESULTS advocates on?
Step 2: Know Your Audience

Who is your member of Congress?

What do you know about them and their values?

What connections exist between you, the issue, and your member?
Step 3: Know Your Message

What issue do you want addressed?

Why is this issue important? Why does it matter?

What are you asking your member of Congress to do about it?
The E.P.I.C. Format

E is for Engage the audience
P is for state the Problem
I is for Inform on the solution
C is for Call to Action
E – Engage

What fact or personal statement will grab your member of Congress's attention?

Example:

The recently released Census Bureau data showed the poverty rate in 2022 was 12.4%, an increase of 4.6% from 2021. This is the first increase in the overall poverty rate since 2010.

Source: Sept 12 Census Bureau Press Release
P – Problem

What is the problem? Why does it matter? How does it impact you or your community?

Example:

Under current income requirements, 19 million children live in homes that do not receive the full benefit of the Child Tax Credit (CTC). Seventeen million of these children have parents with jobs, and they disproportionately come from rural areas.
What is the policy solution?

Example:

When the CTC is paid monthly and it reaches more families, especially those earning the lowest incomes, it helps provide economic stability.
C – Call to Action

Ask a yes or no question. What do you want your member of Congress to do?

Example:

Will you speak to your colleagues on the Ways and Means Committee or Senate Finance Committee about expanding the CTC so that more working families with low incomes receive the full benefit?
