Welcome!

Our Values & Resources

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

Read our full anti-oppression values statement here at results.org/values.

Take action!

Ask your members of Congress to:

Will you urge your colleagues on the House Ways and Means Committee or Senate Finance Committee to expand the full benefit of the Child Tax Credit (CTC) to as many families as possible, prioritizing those with low incomes?

See our CTC leave-behind at: <https://results.org/wp-content/uploads/2023-CTC-Request-Summer-and-Fall-MEGA-RESOURCE.pdf>

Take action!

Keep submitting letters to the editor and op-eds with the message:

Any tax bill this year must significantly reduce child poverty by expanding the Child Tax Credit.

Use our [updated CTC media alert](#) to send your letters today. Remember, things could happen quickly so the more letters you get now, the more pressure it puts on Congress to expand the CTC.

Build the Buy-in update

FALL 2023

Build the Buy-in Campaign

When Congress and communities buy in to the same goals, change happens.

When Congress hears about your priorities for ending poverty and why they matter, they start to “buy in” to the goals that create change. Now that you’ve Set the Agenda and grown relationships with your lawmakers and fellow advocates, it’s time to build that buy-in for Congress to follow-through. This fall 2023, we will publish media, meet strategically with members of Congress, and connect with each other to build bipartisan buy-in for action on tuberculosis (TB), global education, economic justice in the tax code, and equity and impact in global anti-poverty programs.

Join our Experts on Poverty

Experts on Poverty

RESULTS launched our Experts on Poverty program in 2015. The program includes a cohort of individuals with lived/living experiences of poverty from across the nation. The Experts on Poverty (also known as Experts or EOPs) receive training and support to become stronger leaders in the anti-poverty movement. They shift the narrative around those who experience poverty and highlight the way anti-poverty policies affect their everyday lives.

Applications for the new cohort are open during Oct/Nov 2023. Click the button to download the application guide.

Share Your Story

What is your story? What is your “why”?

We all have a reason why we are passionate about ending poverty, a reason why we joined RESULTS or an advocacy experience that we are proud of and keeps us motivated.

We want to hear what drives you to advocacy and what it feels like to take action. Your voice matters. Your story matters.

Questions to consider as you think about what story to share:

- Why do you want to end poverty?
- What personal experiences led you to advocacy?
- Do you have personal experience with poverty?
- Did you have an inspirational meeting with a Congressional aide?
- Did you get published in the media?

Celebrate a RESULTS volunteer

Help us recognize new volunteers and our leaders who are supporting advocates to take action!

We know that jumping into RESULTS advocacy for the first time is a huge milestone. We want to recognize volunteers across the network for building our movement. Did someone new attend a lobby meeting? Or support someone to take action? We want to hear all about it.

Please fill out this short form and share about the new volunteer in action or tell us about your experience supporting a new advocate. We will send this person a congratulatory e-card and a token of our appreciation!

Note: someone does not need to be a formal "group member" for us to recognize their achievement! We want to uplift people across the network who engaged in any way. We are considering "new volunteers" to be someone who joined within the last 1-2 years.

Thank you for all you are doing to build the RESULTS movement!

We are delighted to have so many new advocates in our midst who are taking powerful action and making positive waves. If you want to celebrate the actions of a new volunteer, please share about the experience.
