RESULTS National Webinar

April 6, 2024

Welcome!

Our Values

The logo for RESULTS, featuring the word "results" in white lowercase letters inside a red speech bubble shape.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

Read our full anti-oppression values statement here at results.org/values.

U.S. Poverty Campaigns Update

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

- **Child Tax Credit**

We need your help getting this to the finish line!

- **SNAP / Farm Bill**

Oppose any harmful policies and urge Congress to invest more to reduce hunger in the U.S.

- **Housing**

Fair Housing Month – stay tuned for series of blog posts and webinar programming featuring some of our RESULTS volunteers!

Take action on key U.S. poverty priorities

The logo for 'results' is a red speech bubble shape with the word 'results' written in white lowercase letters inside.

Child Tax Credit

If you have a Democratic Senator, please contact their offices and ask them to urge Sen. Schumer to put the tax bill on the floor next week. If you have a Republican Senator, urge them to support the bill when/if it is brought to the floor for a vote.

SNAP / Farm Bill

Tell Agriculture Committee leaders and members of Congress to protect SNAP from reckless cuts and policies in Farm Bill negotiations.

Pushing the World Bank to prioritize people and poverty

results

- The International Development Association (IDA) is the part of the World Bank that helps the world's poorest countries.
- IDA aims to reduce poverty by providing zero to low-interest loans and grants for programs that boost economic growth, reduce inequalities, and improve people's living conditions in 75 of the lowest income countries.

The most recent replenishment of IDA's resources resulted in **a historic \$93 billion financing package for IDA countries** for fiscal years 2022-2025.

This fall – the World Bank will be asking for an increase in resources! And **Congress should be weighing in on how that funding should impact poverty.**

Global Poverty Campaigns Update

Senate World Bank Dear Colleague

- Led by Sen. Booker (D-NJ)
- Urges the new World Bank president to:
 - increase public reporting and accountability
 - increase support for communities in the lowest-income countries
 - set bold goals to reach more people with health, nutrition, and education funding.
- **Deadline: Tuesday April 9**
