

2024 World TB Day Briefing Series

The Time to End TB is NOW

Sponsored by Senator Sherrod Brown

Please join us for a conversation with special guest, author, and advocate John Green, as well as tuberculosis survivors and U.S. government (USG) leadership. The briefing will explore the state of TB prevention, diagnosis, and treatment in the United States and globally – as well as highlight USG-led research efforts to develop innovative diagnostics, vaccines, and treatment essential to ending this often forgotten but deadly pandemic.

March 14, 12:00 - 1:00 p.m.

Dirksen Senate Office Building, Room SD-562

Lunch will be provided

Speakers:

John Green,
Author and TB advocate

Shaka Brown,
TB advocate

Dr. Atul Gawande,
Assistant Administrator
for Global Health, USAID

Dr. Phil LoBue,
Director, Division of
Tuberculosis Elimination, CDC
