June 7, 2025

*Welcome!*

# Our Values

The logo for RESULTS, featuring the word "results" in white lowercase letters inside a red speech bubble shape.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

**Read our full anti-oppression values statement here at [results.org/values](https://results.org/values).**

# THANK YOU ADVOCATES

# Budget Reconciliation

- House narrowly passed the budget reconciliation bill (the *One Big, Beautiful Bill Act of 2025*)
- Would have negative generational impacts for those living in poverty
- Provides major tax credits and incentives to wealthier Americans and corporations while cutting critical social service programs

# SNAP Impacts

The logo consists of the word "results" in white lowercase letters inside a red speech bubble shape.

- **Additional work reporting requirements starting in 2028**
  - Adults ages 55 to 64, including parents with children ages 7-18, would be required to work at least 20 hours a week to retain their benefits
- **States would have to pay between 5-25 percent of the costs of SNAP**
- **More people would lose benefits and other state supported services**

# Medicaid Impacts

The logo for 'results' is located in the top right corner. It consists of the word 'results' in a white, lowercase, sans-serif font, positioned inside a red speech bubble shape that points towards the bottom left.

- **New work reporting requirements starting in 2026**
  - Recipients ages 19 to 64 would be required to work at least 80 hours a month to retain their benefits
- **More health facilities would either close or reduce services** due to lack of Medicaid funding
- Requires states to check Medicaid expansion enrollees' eligibility **every six months instead of annually**
- **Punishes states** that have expanded Medicaid and/or have used their own **state funds to cover undocumented immigrants**

# Child Tax Credit and Earned Income Tax Credit

results

- **CTC may be expanded for wealthier families**, but details matter:
  - 1 in 3 children would be ineligible for the full Child Tax Credit because their family income is not high enough to qualify
  - A two-parent family with two children would need a minimum of \$48,000 to be eligible for the full credit
  - Both parents would be required to have Social Security Number to qualify
- **Erects more hurdles to obtaining the EITC**

# The next month is critical!

The logo consists of the word "results" in white lowercase letters inside a red speech bubble shape.

Senate is aiming to vote on their version before the Fourth of July holiday.

## Take Action!

- **Meet with and send emails** to your senators. Tell them ***no cuts to SNAP, no cuts to Medicaid, and improve the CTC without cutting the EITC.***
- **Submit a letter to the editor** about why the CTC, EITC, SNAP, and Medicaid are important to your community and why they should be preserved and improved.
- See our **Action Center** for email and letter to the editor actions.
