40 years of progress

- RESULTS works with Congress to launch a campaign to reach cosponsors of pro-work tax credits that raise roughly 16 million people out of extreme poverty.

- RESULTS helps Congress pressure the U.S. government to expand Head Start and provide universal access to primary education.

- RESULTS helps stop threats to health, education, and other critical policies.

- RESULTS uses social media to reach millions of people, no matter where they live, are able to enjoy their right to a quality education.

- RESULTS volunteers successfully support the World Health Organization’s Stop TB Now Act, an international law in November 2005.

- RESULTS volunteers successfully support the Malala Fund.

- RESULTS volunteers work with parliamentarians around the world to pressure the U.S. government to reverse its policy to block massive proposed cuts to health and nutrition programs.

- RESULTS helps pressure Congress to successfully pressure the U.S. government to pressure countries to stop child deaths.

- RESULTS volunteers are instrumental in stopping threats to health and nutrition programs.

- RESULTS and RESULTS Educational Fund introduce microfinance to the world’s poorest families.

- RESULTS is eventually incorporated into the historic 1991–2000 Global Fund to Fight AIDS, Tuberculosis and Malaria Act. The $60 million first global Microcredit Summit is held in Washington, D.C., with Muhammad Yunus and 2,000 members of RESULTS volunteers and partners from around the world.

- RESULTS Education Foundation convenes the first global Microcredit Summit.

- RESULTS introduces microfinance to 50 chapters in 33 states.

- RESULTS grows to $933 million, nearly triple its annual contribution.

- RESULTS helps the U.S. government to meet the commitments in the historic Stop TB Now Act.

- RESULTS helps with treatment by 2022.

- RESULTS helps the United States and around the world. Global voluntary organizations mobilize volunteer activists to help the poorest countries get all of their kids in school.

- RESULTS helps stop threats to health, education, and other critical policies.

- RESULTS helps stop threats to health, education, and other critical policies.

40 years of action

- More than 1 billion people have received small loans.

- 1.6 billion.

- Credit to low-income families, lifting the world’s poorest families with small loans.

- The number of children in primary school has risen by over 1 billion.

- Child deaths are down by nearly two-thirds.

- The UN holds its very first Global Fund to Fight AIDS, Tuberculosis and Malaria conference.

- The World Bank agrees to increase tuberculosis funding annually to fight TB worldwide.

- The Microcredit Summit Campaign achieves its goal of reaching 500,000 people worldwide.

- RESULTS volunteers successfully support the National Endowment for Education.

- RESULTS volunteers successfully support the Children’s Health Insurance Program to cover 6,000+ children who might otherwise die from treatable conditions.

- RESULTS helps Congress to successfully pressure the U.S. government to pressure countries to save the lives of more than one million people.

- RESULTS volunteers successfully support the World Health Organization’s Stop TB Now Act, an international law in November 2005.

- RESULTS volunteers successfully support the Malala Fund.

- RESULTS helps Congress pressure the U.S. government to pressure countries to stop child deaths.

- RESULTS volunteers are instrumental in stopping threats to health and nutrition programs.

- RESULTS and RESULTS Educational Fund introduce microfinance to the world’s poorest families.
