Our Values & Resources

Global Allies Program

Partners Ending Poverty with RESULTS

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

HOW
ARE
YOU,
REALLY?

THE NUE
CO

A large white mural is mounted on a brick building. The mural features the text 'HOW ARE YOU, REALLY?' in a bold, sans-serif font, arranged in four lines. Below this, the text 'THE NUE CO' is written in a smaller, similar font. The mural is set against a background of a brick building with a fire escape on the left side. A yellow traffic light is visible in the foreground at the bottom right.

OVERALL
MURALS

A small black and white sign is mounted on the brick building, below the mural. The sign reads 'OVERALL MURALS' in a bold, sans-serif font. The sign is rectangular with a slightly distressed or weathered appearance.

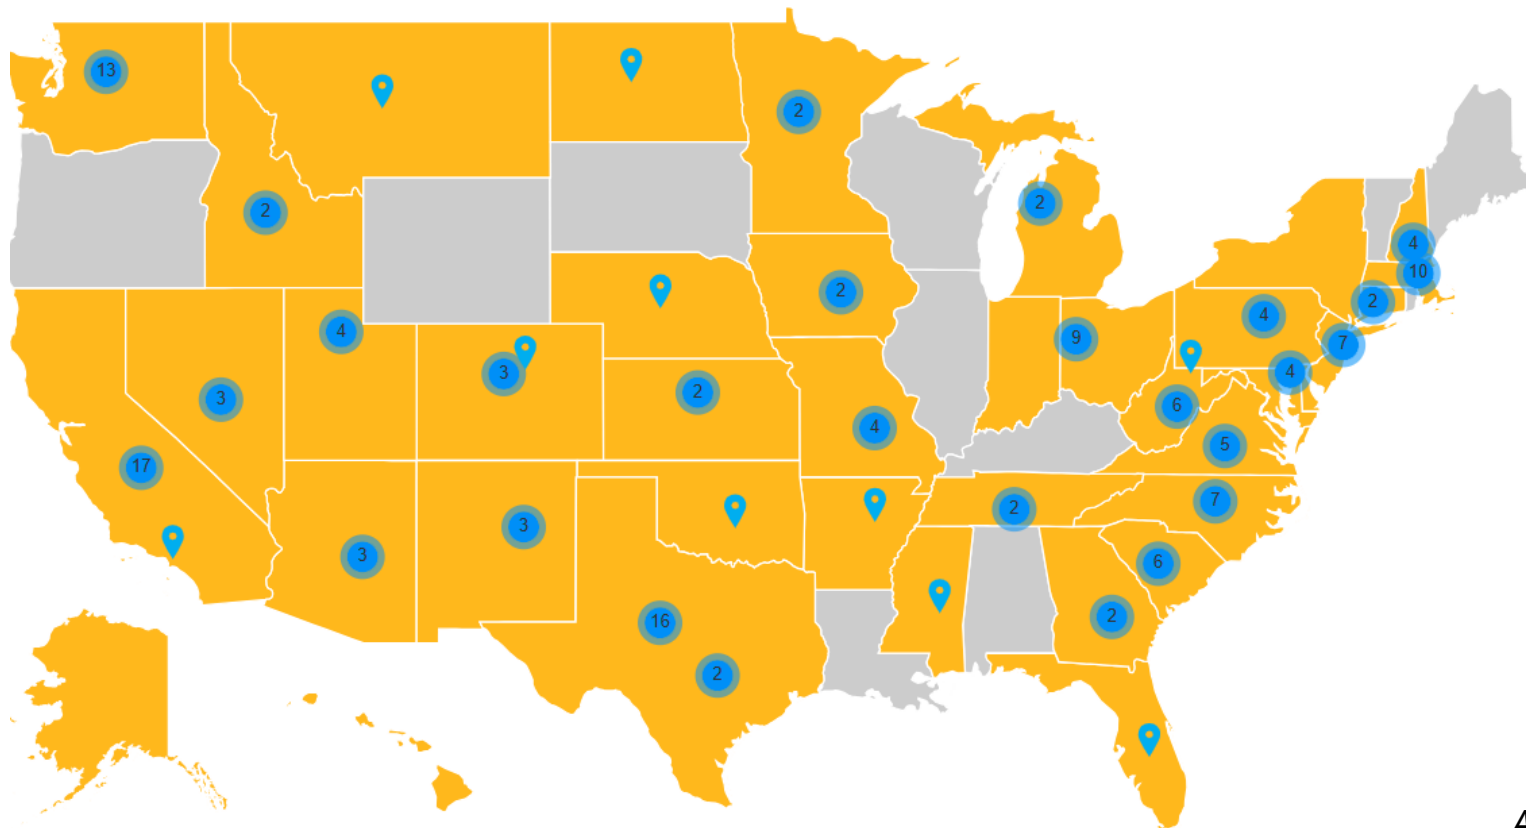

How have you engaged with your members of Congress since our last meeting?

Contact your members of Congress, request that:

- 1. End the stop-work order,** and reinstate critical programs and staff to carry them out.
- 2. Push the State Department to verify that programs under the waiver have restarted,** and expand the waiver to all global health and development programs.
- 3. Ensure Congress is involved in shaping the future of foreign aid** — standing up for programs that are focused on ending poverty and creating good health, and committed to humanitarian and lifesaving impact.
