

## REAL CHANGE ORGANIZING AND ADVOCACY FELLOWSHIP

The REAL Change Organizing and Advocacy Fellowship is a hands-on training program for young people between the ages of 18-30 who are ready to become the next generation of advocates fighting poverty. During the yearlong program, fellows learn how to work with the media, their communities, and policymakers to create change.

Once selected for the fellowship, participants receive a crash course in advocacy at the RESULTS International Conference in Washington, DC. After three days of coaching and inspiration, fellows spend the final day of the conference on Capitol Hill and speak directly with members of Congress and their staff. Throughout the rest of the year, fellows receive ongoing training on biweekly calls. They hone their advocacy skills taking actions ranging from writing letters to the editor to hosting events to calling their members of Congress.

### HOW TO APPLY:

All interested applicants must be between the ages of 18-30, able to commit to 6 hours a week to the program, and attend the 2019 RESULTS International Conference on July 13-16, 2019 (the fellowship includes a scholarship to attend the conference).
