Together Women Rise's Mission

Together Women Rise cultivates the collective power of community to achieve global gender equality.

OUR VISION

Together Women Rise envisions a world where every person has the same opportunities to thrive regardless of their gender or where they live.

Rise Anti Oppression Commitment:

At Together Women Rise, we come together as a community dedicated to equality and justice for women and girls everywhere. [Read full statement here.](#)

A woman with dark dreadlocks, wearing glasses and a blue long-sleeved shirt, is smiling and holding a large red sign. She is standing outdoors in front of a building with large windows. The sign has white text that reads "VOICES THAT CHANGE THE WORLD".

**VOICES
THAT
CHANGE
THE WORLD**

RESULTS is a movement of passionate, committed, everyday people. Together, we use our voices to influence political decisions that will bring an end to poverty.

Our Values & Resources

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.
