November 19, 2024

Welcome

Please let us know in the chat where you are joining us from!

Together Women Rise's Mission

Together Women Rise cultivates the collective power of community to achieve global gender equality.

OUR VISION

Together Women Rise envisions a world where every person has the same opportunities to thrive regardless of their gender or where they live.

Our Values & Resources

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

Why do we use media?

- Making connections between the issues we advocate on and current events
- Bringing awareness of these issues to our community
- Puts pressure on MOCs to act (they monitor what is being said about them in the media)

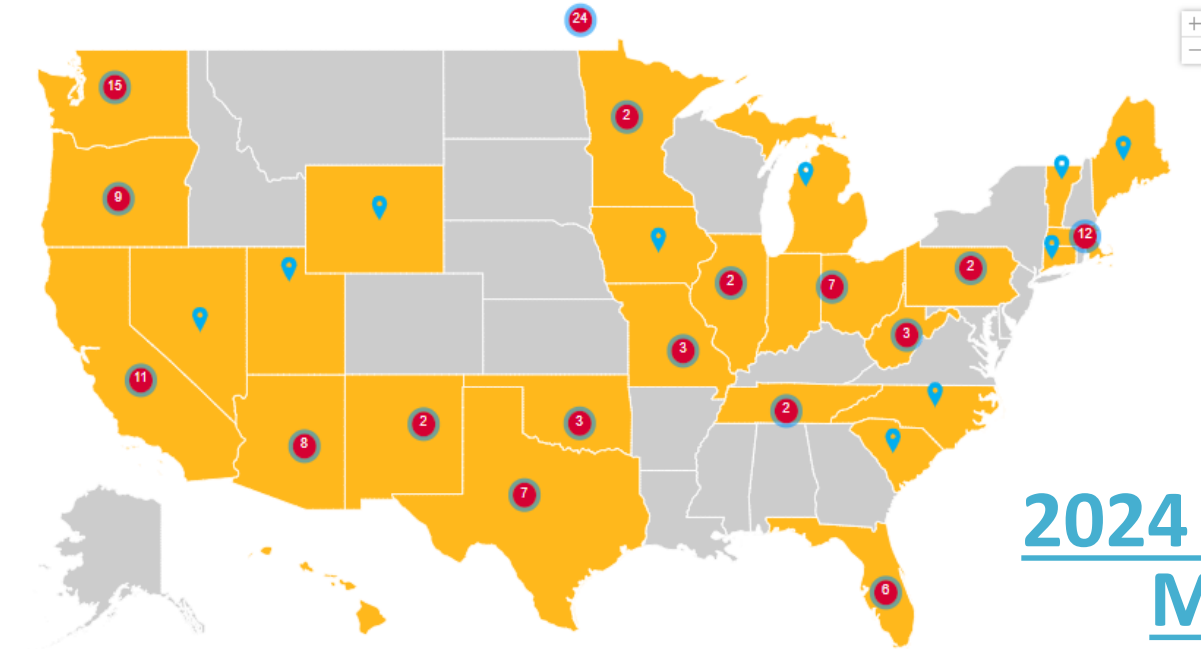

How to get started

- **Find a local hook**
 - Articles in the paper? Make the connection to other global issues that intersect with education, nutrition, and health
 - Important statistic relevant to your district or state?
 - Respond to other published media
 - Thank you to your Rep. or Senator
- Looking for relevant hooks? [Check out this resource.](#)
