WANT TO BREAK THROUGH THE NOISE IN WASHINGTON?

In this fraught political moment, you want to speak up about the issues you care about. But it’s not always easy to get through to Congress. Join us in Washington for the RESULTS International Conference, and learn how to help change policy that advances education, health, and economic opportunity for all.

Spend four days with a thriving community of advocates from every corner of the country and around the world who care about poverty. The conference is an opportunity to raise your voice to Congress about issues that matter.

For three days you will have the chance to grow your knowledge and develop crucial advocacy skills. On the final day, you will join other advocates from your region and meet with your Congressional offices on Capitol Hill. Together, we can use our voices to change the world.
